****AN:** My first yaoi fanfic of HTTYD. Hiccup x Snotlout. I thought about this back in Spanish class and algebra. I even wrote this in algebra. Well part of it, because back in Spanish and Algebra I was bored. So I draw a bit and write during lessons. Don't worry I caught up with the lessons. Few OOC's included.******

It was a chilly day in Berk, Snotlout walk walking though the forest then suddenly he heard a cry. 'Nobody in the village ever cried before, expect for Hiccup' he thought. He continued to walk to the source of crying. When he got there, he hid behind one of the trees. He saw Hiccup crying. 'Why is he crying for, that's not Viking like' he thought.

Hiccup stop crying and start rubbing his eyes with his fist. "Hey cousin, why are you crying for" Snotlout called. Hiccup jumped up. "You-*hic*-scare-*hic*-me" Hiccup said. He got up and running up to his cousin. Hiccup suddenly hugged snotlout for the first time. Hiccup sobbed against Snotlouts chest. Snotlout was surprise what just happen.

Hiccup quickly released Snotlout. "Oh I'm so sorry Snotlout" he quickly apologize. Snotlout is starting to have this weird feeling in his gut, something he never felt before. "You didn't answer my question, cousin" Snotlout growled.

"Astrid broke up with me. I don't know why." Hiccup responded.

"Tell me about it, when we get home"

"Ok" hiccup said as he whipping his tears before standing up. They both starting walking back in the village. Snotlout still have that weird feeling in his gut, still. He's being _nice to _Hiccup for the first time.

When they return home, they went to Snotlout house. "Alright, tell me everything" said as he sitting down on the couch. "Ok. It started when Astrid is taking me to fitted forest..." Hiccup started.

After Hiccup explained his story, he starting to cry again. Snotlout feel bad for Hiccup for the first time. Snotlout decided to _hug _Hiccup and let him cry on his chest. Hiccup let it all go.

After crying, Hiccup smiled. He's starting to have feelings for Snotlout. It didn't sicken him. Now, Hiccup think that Astrid is total jerk. She dumped him for goodness sake. "Hey Snotlout"

"hmm?"

"Thank you for comfort me"

"Anytime cousin" Snotlout said as he rubbed Hiccups head, even messed up his hair. Hiccup didn't care. "Well, I better get going" Hiccup said as he get up from the couch. Then he headed out the door.

Once Hiccup's out the door, "WHY DO I HAVE FEELINGS FOR HICCUP" Snotlout shouted. Thank goodness his parents are not home. He headed up his room and took a nap.
